Subject: Portland Harbor Tribal Partners/EPA Meeting, Dec 8, 4:30pm

Dear Tribal Partners,

EPA invites you to attend the Portland Harbor Tribal Partners/EPA meeting on Monday, December 8th from 4:30-5:15pm.

As you recall, Mr. McLerran and Jim Woolford, Director, Office of Superfund Remediation and Technology Innovation, have committed to meet with our Tribal partners on the same schedule as their meetings with the Lower Willamette Group Executives.

The purpose of this meeting is to provide Portland Harbor project updates, along with a debrief from the executives' meeting. This is also a time to dialogue and provide input to EPA. Due to scheduling, Mr. McLerran will be unable to attend the debrief. However, Lori Cohen and Jim Woolford will provide the meeting debrief on his behalf and capture your feedback.

The meeting will be held at the EPA Oregon Office (Fox Tower), 805 SW Broadway Street, Suite 500, Portland Oregon, 97205. Parking is available at the Smart Park (730 SW 10th Ave) or Fox Tower Parking (Fox Tower, Taylor St. entrance).

The following conference line will be open if you are unable to attend: Non-Responsive, conference code is Non-Responsive
[REDACTED]

You are welcome to stay for the community stakeholders debrief which will promptly begin at 5:20 pm.

Please feel free to contact Kristine Koch (206-553-6705) or myself (503-326-6831) if you have questions.

Thank you,
Alanna Conley
U.S. EPA
Community Involvement Coordinator
